BBC Radio Two's- 500 words competition is back!

In 2016 123,436 children entered the competition

Seven years ago, Chris Evans had a dream: to get children excited about reading and writing. All children, no matter what their ability. 500 Words is now one of the most successful story-writing competitions for kids in the world. **Nearly half a million** pupils have written a story for us; that's over **277 MILLION words!**

It's very simple. Entrants write an original story on any subject or theme in 500 Words or fewer and submit it online. If they win, their story will be read live on the radio by a superstar celebrity...like Julie Walters, Tom Hiddleston, Sir Kenneth Branagh, Jeremy Irons, or Sherlock himself – Benedict Cumberbatch. Each year, 10 million Radio 2 listeners hear, read and love these stories.

The 2017 competition is now open for entries! For further information, visit the Radio 2 website to be in a with a chance to join Chris at the 500 Words Final from the Tower of London. Closing date is 23rd February.

Growth Mindset Assembly – Year 6

An assembly such as this can be quite time consuming, taking up quite a lot of time with rehearsals in order to make it as good as it can possibly be. Therefore, due to the assemblies being so close to the date of the SATs Tests, Year 6 will not be doing a Class Assembly on the above subject.

Red Nose Day

Friday 24th March we will be joining in with Red Nose Day, come to school in Red, donations welcome.

Worry Box on School Website

We have a new addition on our website – our online Worry Box.

At Worsley Mesnes we pride ourselves on our wellbeing, so our online worry box has been set up as an approach to addressing any excessive worries or anxieties we may have, our aim is to take away the worry and place it in the box. School staff will pick these up and act on them appropriately.

Our children are already used to our worry box in school, as we have a box where they can write any worries and post them, this new addition is an extra to a system we already have running in school. This will be introduced to all children in our Monday morning assembly and through class safeguarding lessons.

Like adults, children tend to do their worrying at night, they are busy and active during the day, but at night minds can wander and stress or worries can start to creep in. By having our facility of the worry box online, children can use this at anytime, have a chance to verbalise and put away their worries, and get a restful sleep.

Healthy Schools - Nut and Kiwi Free

Just a reminder that we promote healthy lunches and that we are a nut and kiwi free school.

Please ensure that if your child brings sandwiches to school that these do not have Nutella, or chocolate spread on them. Most of the chocolate sandwich spreads do contain nuts.

If you would like any information on healthy lunches – or take part in a parents group looking at what is a healthy lunch – please speak to Mrs Davies.

Class Assemblies

Throughout February and March, each class will be presenting an assembly with a Growth Mindset theme. Parents are invited to watch their child's performance which will take place on the following dates:

Class	Date and time	Venue
Year 1	Thursday 9 th March, 11am	School hall
Reception	Thursday 16 th March, 9.30am	Reception classroom
Year 5	Thursday 16 th March, 11am	School hall
Year 2	Thursday 23 rd March, 11am	School hall

We look forward to seeing you there.

SEAL – Going for Goals

Our Seal theme this half term is Going for Goals.

Going for Goals explores how children can motivate themselves in their learning and across school. Children can set their own goals, think about how they learn best and consider how they might make wise choices.

Have a go at our Family Activity – a prize for every one handed in to Mrs Davies!

Join us

Come, join us for a chat and a coffee, and meet our Start Well workers every Monday 9.10am in our OOSHL Room.

S E A L Going for Goals

Learn something new!

It is your challenge to teach each other something. It could be anything you like, but if you can't think of anything, then here are some ideas:

- 🚀 A poem or song
- 🚀 How to make something
- 🚀 How to knit or crochet
- 🚀 How to cook something special
- 🚀 How to count to 10 in French or another language
- 🚀 How to play a playground game
- 🚀 How to play a game on the computer

You could write or draw about what you are going to teach each other:
